Subject: Permit Suspended for Failure to Pay Required Permit Fees, A&R Leasing, LLC,
Glacial Green Mine, S/003/0044, Box Elder County, Utah

Response Required by: February 7, 2011

Dear Mr. Feller:

Authorization under the Utah Mined Land Reclamation Act to mine or conduct exploration operations requires the annual payment of permit fees. Division records indicate you have failed to remit your annual permit fees for the referenced mine for the years 2009 and 2010. **Authorization to operate under your Notice of Intention is hereby suspended.**

You are directed to cease all mining related activities, including the removal of previously mined materials, until the permit fees are paid in full. You are further directed to remit the past due amount of \$300.00 by February 7, 2011, (\$150 for each year) to remove the suspended status.

In addition, on December 21, 2009, the Division sent you a letter (certified) requiring the reclamation surety for this site be increased by \$17,830.00, to \$25,200. To date, this has not been done. Failure to maintain adequate reclamation surety may result in formal enforcement action being taken, including the assessment of civil penalties, revocation of your permit to mine, and an order to immediately commence reclamation of the site. Please provide the requested surety increase by February 7, 2011 to avoid formal enforcement actions.
